

# Pacifica Wall Light Installation

skill level • Basic Electrician

## installation instructions

• toolbox

1. Mount the crossbar as shown in the picture to the junction box.
2. Holding the fixture close to the electrical box, connect the fixture wires to the house wires. Make connections as appropriate for your house wiring.

**See reverse side of instructions for important wiring information**

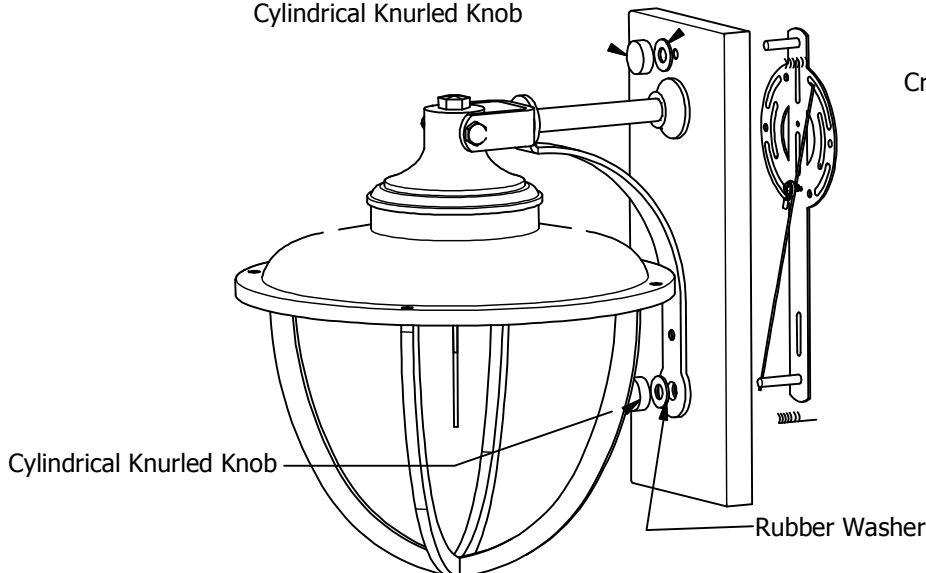

3. Secure the canopy to the crossbar using the provided cylindrical knurled knobs. For outdoor use, use rubber washers provided.

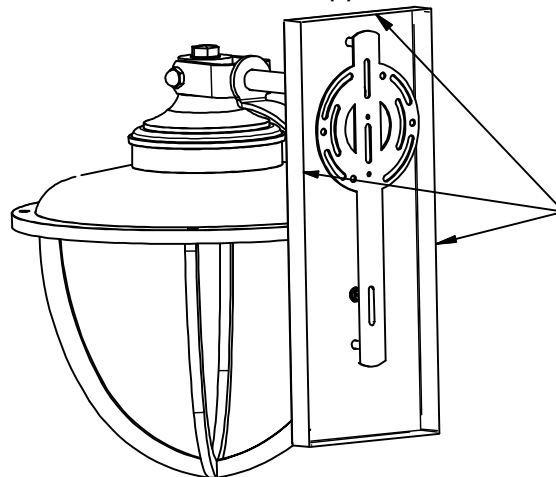

Cylindrical Knurled Knob

Rubber Washer

Crossbar - Notice mounting position

4. This fixture is suitable for indoor or outdoor use. For wet locations, apply silicone sealant to perimeter of the back of the canopy where it meets the wall.

Apply sealant to mounting surface

Complete!
